

Details of the performance of the institute in one area distinctive to its Vision, Priority & Thrust

**Year 2018-19**

Our University is women's university our vision is to Develop empowered, creative and constructivist women teachers enlightened with the global educational trends.....We always work in this direction. For that purpose all our activities are oriented towards our vision. • Our fees are affordable to middle lower middle classes. • We take care of needy students. • We give maximum exposure to our students in outreach activities. • We regularly arrange student led conferences, workshops, seminars competitions. Through that confidence, leadership qualities social skills are developed in our students. • We inculcate human values environmental awareness through various activities. • We inculcate research attitude giving them exposure in research related activities. • To make the women capable for global trends in education we arrange workshop on e-learning e-evaluation. Through these workshops we introduce H5p tool of e-evaluation, e- Poster making, interactive power point presentations, creating gif images. • We always step ahead in introducing new trends in education. We have introduced Computer assisted teaching, Microteaching, Models of teaching, Brain based learning, Constructivist teaching learning, Co-operative learning first time in the syllabus of Education College. • Women Empowerment Lecture Series is our distinctive activity. During Navaratri period we regularly organize a lecture series to give certain valuable inputs for empowerment of our girl students. This activity is being implemented since 2004 till date. All these activities are very valuable distinctive because we are implementing those on women which is still considered as a weaker section of Indian society.

In this year Certificate course in music is started. Institute has organized one National and one State Level Conference. For getting exposure field visits are arranged for students. Faculty members participated in many National and International Conferences. Teachers developed their technological skills and using these skills in daily teaching learning.
