Student Teacher's Feedback

Year 2015-16

This feedback is taken after two semesters.

Feedback – Positive

- Our teachers are good models for us.
- We have overcome our fears and limitations.
- There was a great variety of co-curricular activities done throughout the year.
- We could recognize well and could develop it properly.

Demand and Suggestions –

- Library timing should be more convenient.
- More attention be given to cleanliness in toilet blocks. Need to change structure of old toilets.
