There should be one ladies room..

All are good for now, need to improve in future of sitting arrangement etc.

There is need of a ground for sports activity or the space near stage (outside) should be maintained.

They are adequate.

It's overall very good but when we taught students in our internship duration we came across many different types of children. So I think to handle such kids in school it's suggestions should be added in syllabus.

More of practical training for student teachers. Balance between theoretical syllabus and practical syllabus. Assignments given for various subjects help but those are also written work rather than what is done practically. Micro teaching and training for internship and actual teaching in school should be given equal weightage.

अभ्यासक्रम पूर्णतः दर्जेदार आहे.
मराठीतून शिकत असताना थोड्या सोप्या भाषेत अभ्यासक्रम असावा.

Useful methods Ani topic chi विभागणी हवी

I am more than satisfied.

It should be updated

Not objections

Online and offline both study required

अभ्यासक्रम उत्कृष्ट दर्जाचा असून विद्यार्थी-शिक्षकांना उपयुक्त स्वरूपाचा आहे. संशोधन करण्याकरिता जास्तीचे मार्गदर्शन लाभावे.

More integration with technology, improvement in ICT syllabus

syllabus Khup chan ahe

One teacher for one specific subject,

सगळा अभ्यासक्रम चांगला आहे

नाही

Syllabus is fully Enriched

विविधा उपक्रम कार्यक्रम राबवावे

Ok

Internship cha kalavadhi thoda kami karava ani 2nd year che lecture vavet

काहीच नाही

- Reduce internship tenure to 3-4 months
- Focus more on value based education.
- Better resources for multilingual students.

Use of technology more

None

अभ्यासक्रम योग्य आहे

Every thing is excellent.

Technology cha vapar jast karava

It is up to the mark. We have learnt so many new things, new ICT tools etc.

It was very best syllabus. But in second year there were no lectures for syllabus completion..

There should be more involvement of technological approach in syllabus.

More on job training.

Syllabus must be mostly taught in the medium preferred by students. Multilingualism is there, but students do face problem while understanding the concepts.

Nothing

College is very good but some things that need to be added should be - More learning material in English, English Books suggestions, Notes for exams in English. This can be really helpful for English language students.

Please ensure that language of transaction should be English language for English medium students and not Marathi as i personally faced lot of problems due to not understanding Marathi. I was told at the beginning of the course that medium would be English but didn't know that both Marathi medium and English medium would be in a combined batch. If we are choosing a certain medium,it should be our right to learn through that medium. Definitely not a good experience especially considering that there was also a pandemic. Also there should have been a proper timetable for the second year. Abruptly internship was started at the beginning and only a month for completing the theory syllabus and then unfortunately the university keeps a theory paper of 75 marks. The portion was completed in a hurry as their was no time. Lectures were conducted in July, just a month before exams. So was disappointed.

तश्या अपेक्षा नाही.
सगळ्या गोष्टी कॉलेज कडून पुरवल्या जातात.

Library college b.ed. mdhe हवी vegli nuste book आहेत use करायला pn dya syllabus सोडून....वर्मा mam ओरडून बोलतात नाहीतर पटकन चिडून ओरडतात एवढी गर्दी नसते की त्यांचे age nahi zalel कमीतकमी चांगले बोला .. 😊 बाकी राग नाही

I have got more than expected . I am happy to have selected S.N.D.T.. Thanks to all my faculties, guide and mentors. Thanks to non teaching staff ,especially Snehal Mam, who was always there for us to extend helping hand whenever required for any issues related to administration. Special thanks to Principal Mam, Shirode Mam, More Mam, Sarika Mam, Vijay Sir, Ganesh Sir for their all time SINCERE support. Though course looked vast because of online, offline classes but even in Pandemic faculties made sure all topics were covered. Their efforts were magnificent and consistent , what else I can ask for more. Only my honest efforts were to be added to their sacrifice and KINDNESS. My gratitude to all of you and I will never forget my journey at SNTD where I have got self realization in many ways . My deepest SINCERE THANKS . 🙏🙏

Teachers should be supportive and helpful

Medium wise teaching required, eg for Marathi _ Marathi teaching etc

1. परीक्षेच्या काळात सबमिशन करून घेऊ नये, सतत students ना completions& Submission date's ह्या exams च्या महिनाभर आधीच्या द्याव्यात, जेणेकरून परीक्षेच्या काळात लिखाण करत न बसता अभ्यासावर लक्ष देता येईल.
2. एक विषय एकाच शिक्षकाने शिकवावा, assignments submission मध्ये confusion होत, नक्की कोणत्या शिक्षकांना कोणती assignment submit करायची या बाबत.
3. संशोधन करण्याकरिता जास्तीचे मार्गदर्शन लाभावे.

सर्व विषयांसाठी वेगवेगळे प्राध्यापक असावे

Placements, personality development training

Only one teacher for 1 subject, transparency,

प्राध्यापक Unbiased असावेत

More placements

Over all satisfied with the available things

खूप छान अभ्यासक्रम आणि इतर गोष्टी

काहीच नाही

- More placement opportunities.
- Unbiased behaviour.
- Assistance fir multilingual students.

Getting Division A

It's good right now.

कृती संशोधन आणि इनटनशिप फाईल यांचे मुल्यमापन प्रामाणिक पणे झाले नाही याची खंत आहे

No expectations already they are providing every thing.

Nothing. I'm proud to be the part of SNDT College Of Education.

1. There should be one professor for one subject.
2. Examination schedule for repeaters should be in two months after final exams.
3. Regular paper and repeater papers should not on single day.
4. There should be transparency in internal marks. Few students never comes and some comes regularly but marks are same. It is injustice for regular students.
- 5.College should be multiple placement opportunities.

Everything provided by college

The classes for English Medium and marthi Medium students should be conducted separately.

Expectations are fulfilled from the college.

1. Problem while taking notes.
2. The English and Marathi medium lectures Must be taken seperately.
3. Proper arrangments of extra curricular activities and sports.
4. Internal marks Must be fully based on the work done.
5. Lectures must be conducted regularly.
6. Strictness must be there in class administration.
7. Strict action must be taken against cheating in exams.

More placement facilities

Overall if I have to say about college then I would say S.N.D.T college is amazing. Here teachers are very supportive. They understand Girls problem. They just not understand but aslo give solution on it . They really motivate of all them to become a great teacher. The environment in college is very friendly so that everyone can share their views and thoughts freely. College's Ambiance is also very beautiful as it is covered with beautiful plants and trees. S.N.D.T college gives their students a feel of or a touch of family.

Best College..world best teachers ..and good and co oprative staf

Teachers and staff are overall good and supportive but only if there is a seperate batch for English medium and proper plan and time schedule for teaching the entire syllabus especially in the second year, the college will be best at imparting quality education and ensure that the future teachers are trained to their potential.

खरं शिक्षण कसं असावं याच उत्तम उदाहरण.
कॉलेज ्चा पूर्ण (शिक्षक, शिक्षकेतर कर्मचारी) स्टाफ खूप छान आहे.
प्रत्येकाकडे वैयक्तिक लक्ष दिले जाते.

मला S. N. D. T. B. Ed Clg ला admission घेऊन खूप छान वाटलं, आपलं clg खूपच छान आहे. 🥰 सर्व teachers खूप Cooperative आहेत, खूप उत्कृष्टरित्या शिकवतात आणि विद्यार्थ्यांना पूर्णपणे सक्षम करण्यासाठी प्रयत्नशील असतात. वेगवेगळे प्रकारचे Skills Develop होण्यासाठी नेहमीच कार्यरत असतात.उत्तम प्रकारचे शिक्षण येथे प्राप्त होते, यामुळेच मी आपल्या कॉलेजमध्ये प्रत्येकाला अॅडमिशन घेण्यासाठी सुचवेल.

कॉलेज खूप चांगल्या पद्धतीने चालवले जाते. सगळ्या प्रकारच्या सुविधा आहेत सर्व शिक्षक चांगले आहेत.

कॉलेज खूप चांगले आहे, नोकरी करून शिक्षण घेणाऱ्या विद्यार्थ्यांचा पण थोडासा विचार करण्यात यावा. त्यांना सहकार्य करण्यात यावे.

I am very happy to be a part of sndt.

One of best college,
Enjoyed learning,
Every staff member are excellent and master in their subject.

Co operative and Healthy environment 😊

I feel blessed for being a student of such great college. Thank You.

It was a roller coaster ride. Learnt many things in the B. Ed. Course. Actually, I enjoyed first year more in comparison to second year. Internship experience at school was Great. In second year I did feel some negativity in college. I didn't feel like attending college in second year and also felt demotivated. College didn't seem like a familiar, something was changed. Besides

that I really enjoyed the journey, administration staff was supportive, teachers are excellent, library is full of Sources and campus is beautiful filled with greenery.

Very good
