Dr. Pornima Tapas Ma'am shed some light on the life of Subhash Chandra Bose and also put forth valuable lessons based on his life, which immensely boosted the spirit and enriched the personalities of students.

Tapas ma'am addressing the students

Some of the valuable lessons learnt from Subhash Chandra Bose's life as stressed by Pornima Ma'am were: -

1. If you want to bring a big change, take a big step.
2. Always be progressive in life
3. No real change in history has ever been achieved by mere discussion. Efforts are required to be taken.
4. Be fearless, freedom is taken, not given.
5. There will be times when you have to strike back.
6. The squeaky wheel gets the grease.
7. Life loses half of interest if there is no risk to be taken or if there is no struggle.
8. The secret of political bargaining is to look stronger than you actually are.

Ma'am's speech and her way of expressing the life of Netaji Subhas Chandra Bose truly connected the students emotionally and mentally with Netaji Subhash Chandra Bose. We also got to know about some known but unrecognized facts related to Subhash Chandra Bose like the slogan "Jai Hind" was given by him, it was Netaji Subhash Chandra Bose who composed the famous song "Kadam kadam badhaye Jaa". Subhash Chandra Bose was the one who honoured Gandhiji with the title of "Father of the Nation", popularly known as "Bapuji" The valuable lessons from Bose's life as stressed by Ma'am also gave us the strength to approach the various hurdles of our life with courage, conviction and faith in ourselves.

Moving further with the program we had a short interaction with the Chairperson of the event Dr. Tapkeer Sir. Sir encouraged the students to learn more about the lives of great personalities and inculcate their valuable lessons in our day-to-day lives.
